

MODERN LUXURY SPOTLIGHT

THE LEADING 100

THE TOP PERFORMERS
IN BAY AREA REAL ESTATE

Presented by

Welcome to the 2024 **Leading 100 List**

LuxeSF, San Francisco magazine and **Modern Luxury Silicon Valley**, in partnership with the respected **RealTrends** organization, are proud to introduce The Leading 100 List, which recognizes the outstanding top performers in Bay Area residential real estate sales. The stated vision of The Leading 100 List is to provide the Bay Area community with an authoritative, annual guide to real estate agent performance based on results and meritorious performance.

The 2024 Leading 100 List represents the Bay Area’s 100 top-producing agents who registered outstanding performance in the calendar year 2023, based on closed dollar sales volume. As in previous years, The Leading 100 List recognizes both Individual and Team sales performance.

RealTrends data, universally recognized as the most reputable and accurate in the industry because of its verification protocols and recording of off-market transactions, was used as the basic platform in developing The Leading 100 List. That data was supplemented with verified information provided by brokerage management.

We wish to congratulate the 2024 Leading 100 List honorees for their success, which is based upon hard work, passion for the business, and commitment to their industry and clients, on whose behalf they labor tirelessly. Theirs is an accolade much deserved, and it is with great pleasure that we communicate that achievement to the community at large— to their industry peers and to the clients who rely so heavily upon their valued service.

The 2024 **Leading 100** Teams

LISTED BY TEAM NAME, BROKERAGE, LOCATION AND TOTAL SALES VOLUME IN 2023

IMPORTANT **clarification**

As the real estate industry continues to see the transition by individual agents into the formation of teams, the classification process becomes increasingly difficult to codify. Previously, the Leading 100 List has aggregated all of the Teams, irrespective of size and composition, into one list. However, RealTrends, the authoritative source of verified agent sales data, and the source of all Leading 100 List data, has elected to create Team subsets, namely "Mega", "Large", "Medium" and "Small". Following that direction, teams that were included in those RealTrends subsets have also been included in the Leading 100 list.
